

# More options at a lower price!

**S-Guard™ is improving its program to offer you and your customers more options...at a lower price!**

---

## All S-Guard Service Contract Rates Will Be Reduced!

### ⊕ **More competitive New Vehicle program**

- » Simplified rate cards
- » More vehicles will qualify for New Premium Coverage - New Vehicle maximum qualifying mileage will increase from 50,000 miles to 60,000
- » Additional mileage band
- » Add-on miles - New Vehicle term/mileage revised from total miles to add-on miles with corresponding rate reductions

### ⊕ **New Wrap product**

- » Offers coverage in addition to the manufacturer's extended powertrain warranty at an affordable price
- » Wrap is the premium plan without powertrain coverage; this is a great, cost-effective option for vehicles that still have significant time and miles left on the powertrain warranty

### ⊕ **Limited chargebacks - included at no cost to you!**

- » After 90 days, up to \$800 dealer profit will never be charged back to the dealer for cancellations

**Your Area Sales Manager will provide information about these exciting changes.**
